Diaz Eka Cipta
Front-End Web DEVELOPER

0851-5679-4865 | **diazekaciptaa@gmail.com** | https://www.linkedin.com/in/diazekacipta | https://portofolio-cipta.netlify.app/

Depok, Jawa Barat

 A Bachelor of Informatics Engineering graduate with hands-on experience in full-stack development using HTML, CSS, JavaScript, and React.js. Currently working as a front-end web developer while attending a front-end web developer bootcamp to deepen technical expertise. Building scalable web applications and delivering seamless user experiences through well-crafted, responsive designs are passions of mine. A detail-oriented and growth-driven professional eager to secure a full-time role as a front-end web developer.
